

SD Memory Card Compatibility Information for Voice Recorders

Important Information:

- This "Compatibility Chart" only provides compatibility testing results for the Memory Card applications listed in each product's instruction manual with Memory Stick media types listed below.
- This chart does not guarantee support for all memory card media types' performance nor compatibility among memory card media compliant products.
- Attach a dedicated adapter to use microSD/microSDHC memory card in a slot for standard size SD/SDHC memory card.
- The Memory Stick media capacity indicated on the packaging will differ from actual usable capacity. A portion of the memory is used for data management file functions.
- This compatibility chart and specifications are subject to change without notice.

Notes:

| | |
|----|--------------------------------------------------------------------------------------------|
| 46 | The SRAC-A1 adapter must be attached to use microSD/microSDHC in a slot for SD/SDHC media. |
| 47 | This SD Card may not be able to record or play video. |
| 50 | This media cannot be used as file system is different. |
| 51 | Not support the high speed data transfer for UHS-I. |
| 53 | This media is not compatible with XAVC S movie mode. |
